2. Prices quoted should be net, and the minimum period of validity of the quotation should be for one month from the closing date & should be free from CORRECTIONS.
3. Sample must be attached with quotation in all possible cases & when asked for, before the DUE DATE of Enquiry.
4. The University does not bind itself to accept the lowest or any tender or assign any reason for non-acceptance. It further reserves the right to accept any tender in part or in whole at its option.
5. If the University finds that the materials supplied are not of the contract quality or not according to the specification required by the University or otherwise not satisfactory owing to any reason, of which the University shall be the sole judge, the University shall be entitled to refuse the acceptance of the said materials, cancel the order and buy its requirement elsewhere at supplier's responsibility.
6. Tenderers must, as far as possible, arrange to supply the materials according to the terms of delivery specified in the orders. This delivery time must be strictly adhered to. Failure to supply within the specified time will lead to cancellation of the order without notice, or
7. If the deliveries are not regular and if, on that account, the University is forced to buy the materials elsewhere, any loss or damage that the University may sustain thereby will be recovered from the supplier for non-delivery at the scheduled periods.
8. THREE consecutive failures to supply within the scheduled time or times will entail the removal of the Tenderer's name from the Approved List of Suppliers.
9. If any tenderer charges GST, in addition to their quoted rates, this fact should be stated specifically in their quotation. 14. The vendor must update the delivery status of all individual orders in the mail, as per our schedule and committed dates, for better tracking, including the submission of the original Tax Invoice/bill.
