About Institute of Nursing

The Institute of Nursing stands as a centre of excellence dedicated to shaping compassionate, skilled, and future-ready healthcare professionals. Approved by the Indian Nursing Council and West Bengal Nursing Council, the institute combines rigorous academic learning with extensive hands-on clinical training, advanced simulation laboratories and real-world hospital exposure through strong healthcare partnerships.

With a curriculum designed to meet global healthcare standards, experienced faculty mentorship, and a strong emphasis on ethics, patient care, and professional competence, the institute empowers students to build rewarding careers across hospitals, healthcare institutions, community health services, and advanced nursing specialisations.

Programmes Offered

BSc Nursing

General Nursing and Midwifery (GNM)
