Brainware university, Good campus and college life but the placement sucks.

Likes

- The campus is ragging free. there is no problem.
- The campus is big, beautiful. washrooms are maintained on daily basis. There is mirrors in bathroom.
- The teachers are friendly. They are very helpful.

Dislikes

- There promise about the placement, no guarantee placement, they just sent some post and companies in the official website. nothing else
- The food is expensive. Not tasty Not healthy. Both in canteen as well and food court. at starting they give good food then they show the true color.
- they can do politics. to keep thing private, they promise fake things.

Student Snaps:

Internships Opportunities: great opportunities available here they give good govt. hospital placements. as well as prvt. hospitals. no expectation about stipend in BMLT Yes internship is great in hospital lots of thing you learned there but the placement is very poor....[Read More](#)

Brainware, The Affordable College.

Likes

- There are a lots of facilities in the classroom as well as in the campus.
- They have AC's in maximum of the rooms except some. The college also has Wifi for students.
- The are libraries and laboratory rooms for all subjects.

Dislikes

- The Wifi system must be improved as it has a limit of 32 mb for each students.
- The faculties are very good and they teach well too but there are some teachers who have the problem of ego in them which needs to be sorted out.
- There is a problem in the college regarding the SVMCM Scholarship for the Btech students which is taking a lot of time to settle up.

Internships Opportunities: There are a lots of companies that gives the internship opportunities like Amazon, Flipkart, IBM, etc to eligible students and they can apply for it ...[Read More](#)

BRAINWARE, THE AFFORDABLE ONE.

Likes

- There many things that i liked. For eg. There are water purifiers in every floors of every building
- There is a food court so that students dont have to go out to eat
- There are ac's in max room in every floors in every buildings

Dislikes

- There are some teachers those have the ego problem.
- The SVMCM scholar ship is not completed yet for Btech students.

Placement Experience: There is 98% placements from the college. The students are eligible for campus placemnets from 7th semester(i.e. in the 4th year). There are many companies that visited the college like Adobe, Hoichoi, etc The highest package that a student got is 36LPA and the average is 8-9 LPA. The percentage of placements is 98%. After getting the degree, I will go for the company named IBM.

My experience at Brainware University

Likes

- At first I love the whole college

Dislikes

- There are no things to be dislike. But here

whole college campus is no ragging.

- I love that here every month occurs different different sports and cultural competitions and also blood donation camp and tree plantation etc. One can easily participate in this.

Internships Opportunities: TCS , Wipro, Adobe, Deloitte, Cognizant etc company visit our college campus and provide opportunities students to fulfill their dreams and showcase their talents. They give stipend during internships and after that students get a experience of his work and then they can easily get permanent jobs in corporate sector. [...Read More](#)

My.Review on brainware university

👍 Likes

- Experienced and helpful teachers In college
- The modern buildings classrooms lapse provide comfortable and proper education
- The campus is really big and good for sports and other curriculum

👎 Dislikes

- Teachers' don't provide much Attention to the students all the time
- The hostel food is OK kind of and not. I'm very much hygienic
- We can easily get Mars by textbooks. And we don't have to read other books or resources

Student Snaps:

Internships Opportunities: The? Internships are offered from the third year. Also, student from the second or first year can also apply. The internships in the first year are mostly from outside and we have to pay fees for it. But inside the college, they offer internships and teach about them [...Read More](#)
