Further expanding its academic credibility, Brainware University has also secured rank 15 in the Good for Arts, Science, Research & Humanities category.

This ranking underscores its commitment to interdisciplinary learning and research excellence.

Popular programs at the university include BSc, MBA, and BTech. At the undergraduate level, it offers BTech, BSc, BBA, and several other courses.

For postgraduate students, the university provides MBA, MCA, MSc, and other degrees. It also offers diploma and PhD programs, strengthening its academic portfolio in the IIRF ranking 2025.

As per the institution's reservation policy, students from reserved categories (except those applying to law programs) are eligible for a 5% relaxation in total qualifying marks.

Brainware University also provides scholarships such as Achievement and Talent Scholarships, Merit-Based Financial Assistance, and Extensive Scholarship Opportunities to eligible UG and PG students.

The university's placement ecosystem continues to support its rising reputation. The highest package offered to the 2024 graduating batch was ₹27 LPA, with a placement rate of 98%.

Leading recruiters included Amazon, Genpact, CapGemini, TATA Consultancy Services, Infosys, Da Milano, Cognizant, Nature Technology, Wipro, Just Dial, Nestle, Reliance Communication, Adobe, IBM, and Bandhan Bank.

These outcomes significantly contribute to the university's strong positioning in the IIRF ranking 2025.

Brainware University holds approvals from bodies such as UGC, the Ministry of Education (Government of India), the Ministry of MSME, PCI, AIU, INC, WBNC, BCI, and the Directorate of Medical Education, Government of West Bengal.

It is recognized by the Department of Scientific and Industrial Research (DSIR) as a Scientific & Industrial Research Organisation (SIRO).

It is also a member of the Computer Society of India (CSI), ACU, AIMA, the National Digital Library, and other key academic associations.

Adding to its global outreach, Brainware University has active collaborations with institutions such as Livingstone College (North Carolina, USA), Hanyang University and Sejong University (Republic of Korea), and Kasama University College of Health

These partnerships further enrich the student experience and expand Brainware's footprint on the global education map, enhancing its presence in the IIRF ranking best university circles.
